

**K.A.R. 28-19-517 CLASS I OPERATING PERMITS;
ANNUAL EMISSION INVENTORY**

(a) The owner or operator of each stationary source required by these regulations to apply for a class I operating permit shall, on or before June 1 of each year, submit to the department all operating or other relevant information deemed necessary by the department to estimate actual air emissions from the stationary source for the preceding year.

(b) The information required by subsection (a) of this regulation shall be submitted on forms approved by department.

(Authorized by K.S.A. 1996 Supp. 65-3005; implementing K.S.A. 1996 Supp. 65-3007; effective Jan. 23, 1995; amended Feb. 20, 1998.)

FRM: 68 FR 46489 (08/06/2003)

State Submission: 06/25/2001

APDB File: KS-48

CFR: 40 C.F.R. 70, Appendix A, Kansas (a)

PRM: 60 FR 34493 (7/3/95)

State Effective Date: 1/23/95

Description: EPA fully approved the operating permits program submitted by the state of Kansas for the purpose of complying with Federal requirements for an approvable state program to issue operating permits to all major stationary sources and certain other sources. EPA also approved, under section 112(l), the state's program for accepting delegation of section 112 standards to enforce air toxics regulations.
